United States District Court Judge

SWORN AFFIDAVIT OF STEPHEN AGUIAR

I, Stephen Aguiar, pro se, hereby swear the foregoing true under the penalties of perjury and put forth the following:

1. Mail room staff at Federal Correctional Complex Petersburg continue to inspect and examine Plaintiff's attorney/client privileged mail from attorneys of record despite the parcels being adequately identified.
2. On October 16, 2013, October 22, 2013, and November 6, 2013 mail room staff opened and inspected privileged mail from Plaintiff's attorneys of record. EXHIBIT A is attached copies of these parcels.
3. Following the October 16, 2013 violation, Plaintiff met with the mail room prison staff supervisor who informed Plaintiff that the parcels from his attorneys do not meet the prison staff's interpretation of "adequately identified."
4. 28 C.F.R. §540.18 and §540.19 govern special and legal mail. EXHIBIT B is attached for the Court's viewing. Specifically, special mail procedures under §540.18(a) states, "The Warden shall open incoming mail only in the presence of the inmate for inspection for physical contraband and the qualification of any enclosures as special mail. The correspondence may not be read if the sender is adequately identified on the envelope, and the front of the envelope is marked "Special Mail--Open only in the presence of the inmate." Although §540.18(a) does not readily define "adequately identified"

by definition, §540.19(b) provides guidance. It states, "The inmate is responsible for advising any attorney that correspondence will be handled as special mail only if the envelope is marked with the attorney's name[s] and an indication that the person is an attorney, (emphasis added), and the front of the envelope is marked "Special Mail-Open only in the presence of inmate"."

5. Plaintiff submits incoming parcels from his attorneys meet the threshold of the "adequately identified" requirement in dispute. Plaintiff's attorneys names are, in fact, marked on the envelope also identifying that they are, in fact, attorneys at law. Surely, the Plaintiff has met his burden and prison officials are blatantly violating Plaintiff's rights under the law.

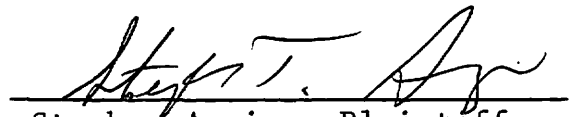

6. Program Statements 5265.14 (correspondence) and 5800.10 (mail management manual) provide directives for the Federal Bureau of Prison's employees special mail procedures and the interpretation of 28 C.F.R. §540.18 and §540.19. The Program Statements are attached as EXHIBIT C for this Court's viewing. The Program Statements are essentially a facsimile of 28 C.F.R. §540.18 and §540.19. The only significant difference is the Program Statements' explanations of a special mail requirements exception including a common sense approach to what may be subject to, "special mail handling;" even if it does not meet all the requirements of special mail. With this in mind, even if, arguendo, the mail room staff's interpretation had merit, in this case it appears that prison officials have failed to apply its common sense approach objectives

as set forth in its own Policies.

7. On October 22, 2013 mail room staff again opened and inspected Plaintiff's privileged mail. Following this second violation, Plaintiff filed a complaint through the prison's grievance procedure. However, November 6, 2013 mail room staff once again opened and inspected Plaintiff's privileged legal mail and informed they will continue to do so forcing this Plaintiff to pray this Court will intervene to stop this immediate and ongoing harm until the prison grievance process has been exhausted and Plaintiff can his case before this Court to prohibit this ongoing injury.

WHEREOFF, Plaintiff asks this Court to act in the interest of justice so that Plaintiff can enjoy unfettered access to the Courts.

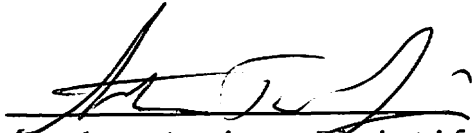

Under the pains and penalties of perjury I declare that the foregoing is true and correct.
